

Named Training and Competency Officer course

Become a training superhero in your establishment!

Aimed at current or aspiring NTCOs, or those involved with training and assessment within their establishment, we introduce our new one-day live webinar.

Topics covered include:

- **Relevant legislation**
- **NTCO role and responsibilities**
- **Principles of training and assessment**
- **Evidencing training and assessment**
- **Case studies: Tackling real-world problems**

Devised and led by current NTCOs and training specialists, this interactive webinar allows you to network with other training professionals.

The webinar comes with access to our VLE platform with useful resources and further information to boost your skills.
