

Home Office Personal Licence (PIL) Courses

Courses run every month, except April and August!

Accredited by the Universities Training Group

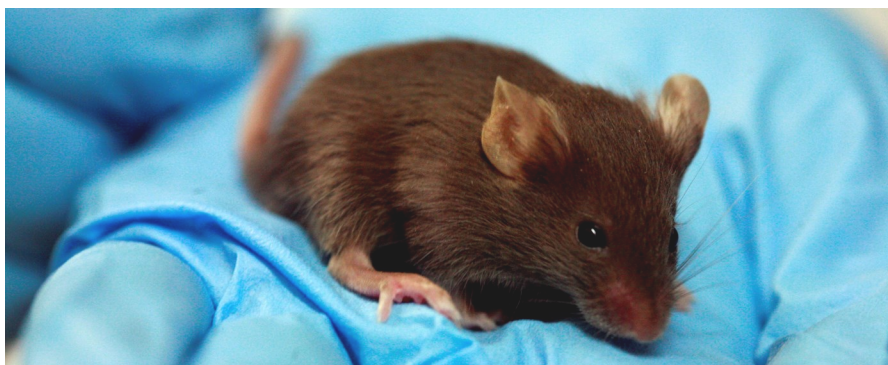

UBS
TRAINING CENTRE

PIL courses are mandatory for anyone wishing to hold a PIL. They are also a requirement for PPL holders, regardless of whether they will be performing regulated procedures or not.

Study for your HO PIL qualifications with us at UBS Training Centre:

- **Live online sessions**
- **Experienced and qualified teaching staff**
- **Access to the RAT interactive training resource**
- **Small group practical sessions for PIL C**

We offer courses suitable for licences PIL A, AB, ABC and ABF, and individual modules or any combination. Unsure which modules you need? Contact us for friendly, jargon-free advice!

Species covered include: Amphibians, birds, fish, horses, pigs, New World primates, rabbits, rodents, sheep. Other species may be available on request.
