Apologies: [Redacted]

In attendance for item 1: [Redacted]

MINUTES

1. Project Licences
   a) Amendment: [Redacted]
      The committee discussed the following:
      - Justification of protocols and use of behavioural tests
      - Movement of animals
      - More information about funding
      - Discussion regarding the projects objective
      - More information about housing

   b) Amendment: [Redacted]
      The committee discussed the following:
      - Discussion regarding the severity levels
      - Justification of protocols
      - More information in the NTS
      - Discussion regarding end points
      - Possibility of using pilot studies
      - More information about funding

   c) Amendment: [Redacted]
      The committee discussed the following:
      - Justification of amendments
      - More information about funding
      - Specification of drugs used
2. Unconfirmed minutes of AWERB 21/12/16
   Minutes were approved.

3. Retrospective reviews
   a) It was noted the retrospective review had been triggered by the expiry of the licence and
      was not renewing his licence. It was noted it was a well written review, but
      that the specifics of protocol 1 and 2 were not clear. The committee also suggested look at ‘F1000’ or ‘BioArchive’ to ensure all data is published.

4. Any other business
   noted the Retrospective Review has been returned to the 3Rs Committee and
   the committee has requested the breeding diagram be circulated to other researchers at
   Cambridge following minor changes.

5. Date of next meeting: Wednesday 25th January 2017
