1. Non-Regulated Procedure Requests

(a) [REDACTED]

The committee reviewed the Non-Regulated Procedure request and asked the researcher to check specific guidance and then include the method that will be used in regards to specific procedures planned. They also requested an end date for the project. The committee agreed this Non-Regulated Procedure request would need to be updated before it could receive ethical approval.

(b) [REDACTED]

The committee reviewed the Non-Regulated Procedure request and asked for an approximate or maximum number of animals the researcher intends to collect samples from. They also asked for specific answers to be changed from N/A to 'yes'. The committee requested the researcher include the tissue type for the samples planned for collection as well as further information around how death will be confirmed before any samples are taken. The committee agreed this Non-Regulated Procedure request would need to be updated before it could receive ethical approval.
