Apologies: 

MINUTES

1. Presentation
   a) New: [Name]
   [Name] delivered his presentation regarding the scientific theories behind his work.
   The committee discussed the application and agreed to the following:
   - The Committee would support this research proposal conditional on the licence being rewritten. The new licence must provide a clear hypothesis and key scientific questions plus sound scientific justification for the research. It was agreed UBS would provide support and guidance if required.

2. Retrospective Assessment
   a) Professor [Name]
   The committee discussed the following:
   - Discussion of reductions made
   - Clarification on severity signs
   - Discussion regarding possible other work under the license

   b) Professor [Name]
   The committee discussed the following:
   - Refinements made
   - Minor changes to wording in retrospective assessment
   - Discussion of refinements in the future

3. Date of next meeting: Friday 19th June 2016 (Sub-committee)
