MINUTES

1. a) Project Licence - New: [Redacted] gave a short overview on behalf of [Redacted]. The committee discussed the following:
   - Clarification on adverse effects
   - More information needed on refinements
   - More information on human benefit
   - More information on the monitoring used for clinical signs

The committee agreed changes needed to be made. Application is to be circulated to 3Rs committee.

b) Project Licence - New: [Redacted] gave a short overview on behalf of [Redacted]. The committee discussed the following:
   - Clarification regarding the named people.
   - More information on human benefit
   - Clarification on end points and monitoring of animals
   - Justification of statistics used

The committee agreed changes needed to be made. The committee recommended [Redacted] update the named people when appropriate people are in post.

2. Unconfirmed minutes of the last meeting 24/02/16 and 11/03/16
Both minutes were approved with minor changes
3. **AWERB 3Rs Committee Minutes 02/03/16**
   Minutes were noted.

4. **AWERB NPC Committee Minutes 18/03/16**
   There were no minutes to note as the meeting was cancelled.

5. **Matters arising from those minutes and AOB**
   a) The committee agreed the 3Rs committee should receive licences that contained severe protocols before they are reviewed by the AWERB committee.

6. **Date of next meeting: Friday 8th April 2016 (Sub-committee)**
