MINUTES

1. Project Licences

a) Amendment: [REDACTED]

The committee discussed the following:

- References to the University of Cambridge facilities now this is the primary establishment.
- The recommendation that the 3Rs information included within the applicants presentation also be included in the application itself.
- Further information in regards to specific procedures planned in Protocol 1.
- Rewording in Step 2 of Protocol 2.
- Further justification required in regards to specific procedures planned in the Part D: Project Plan.
- Further clarity required in Steps 5b and 6b of Protocol 2.
- Revision required in regards to volumes of injections in Protocol 2.
- Further clarification around severity bands in Protocol 3.
- Further information in the Adverse Effects sections.
- The removal or explanation of specific words in the Non-Technical Summary.

The committee agreed changes needed to be made before a draft was submitted to the Home Office.

b) Amendment: [REDACTED] attended on her behalf)

The committee discussed the following:

- The increase in animal numbers, the work planned and whether this is achievable before the licence expires.

The committee agreed no changes were needed before a draft was submitted to the Home Office.

2. Minutes of the last meeting 10/05/19

The minutes were approved.

3. Minutes of AWERB Standing Committee meeting 29/05/19
