

# IAT Level 2 & 3 Diplomas in Laboratory Animal Science & Technology

Online learning—  
learn at your own  
pace!

**IAT Accredited  
Training**

IAT qualifications provide the ideal opportunity to develop your career as an animal technician.

We offer the following courses covering topics such as husbandry, legislation, welfare, and ethics:

- **IAT Level 2 Diplomas in Laboratory Animal Husbandry, and Laboratory Animal Science and Technology**
- **IAT Level 3 Diploma in Laboratory Animal Science and Technology**

**All courses are studied online and are flexible to fit with your schedule. Support is provided by a dedicated tutor and on-demand tutorials.**

Credit can be given for prior learning, and you may be exempt from some modules.

**Contact us today for more information!**
