Service & Support Staff Development Course

University Biomedical Services

Email: ubstraining @admin.cam.ac.uk

This course comes with IAT CPD points

Price: £128.10 (£125.54 for UoC staff) including certificate

This course is suitable for service technicians and support staff working within animal facilities.

Designed to involve all support staff, regardless of experience, the emphasis is on the importance and value of the role.

Course content includes:

- Disinfection and sterilisation

- The importance of barriers

- Health and safety

- Personal and professional development

- Introduction to animal research ethics

- The importance of the support role to research

Certificates and CPD points will be awarded upon completion of online course material and attending the Zoom or in person session
